Chief Financial Officer

Two Rivers Financial Group is seeking an experienced Chief Financial Officer.

The Chief Financial Officer is accountable for the financial, information technology and risk management operations of the company. Primary responsibilities include the development of a financial and operational strategy, metrics tied to that strategy, and the ongoing development and monitoring of control systems designed to preserve company assets and report accurate financial results.

The successful candidate for this position will have a Master's degree or equivalent; or ten to fifteen years of related financial experience and/or training; or equivalent combination of education and experience. Applicants should be experienced leaders and financial executives with appropriate financial, banking, and insurance experience and a CPA certificate.

Two Rivers employees enjoy competitive wages and a generous benefits package that includes a 401k and ESOP retirement plan.
