Credit Analyst

Two Rivers Bank & Trust is currently recruiting for a Credit Analyst position.

This position conducts analyses including gathering, analyzing and interpreting all types of credit information on existing and prospective customers and portfolios. Other duties include the review and monitoring of files for documentation and to maximize credit quality and minimize risk and potential loss, and preparation/presentation of credit reports to loan officers and committees for lending considerations.

The successful candidate will have prior credit administration, accounting, finance, and risk analysis experience. A college degree in business or related field is preferred.

This position includes a competitive salary along with a generous benefits package including health insurance, 401k, ESOP, paid time off, plus much more!

Applicants interested in building a career with a true community bank with a 100-year old tradition of customer, community and employee commitment should send their resume and a completed application (download at: www.tworiversbank.com) to employment@tworiversbank.com.

Resumes and applications can be mailed to:
