Full breakfast at your hotel. Depart this morning for the Freshwater Rail Station, for this historic rail journey which will take us past sugar cane fields and up the slopes leading to the Barron Gorge. From here we travel to the Rainforestation Tour World Heritage rainforest by World War II amphibious Army Ducks, a totally unique and exciting experience on land and water. Our Nature Guide or 'Duck Captain' is well versed in the rainforest ecology and will identify and explain the many different species of flora and fauna of the forest. Traverse part of the property and see Tree Ferns, Staghorns and Elkhorns, rare orchids and learn about the amazing Strangler Fig and Stinging trees. Our guide will explain the mysteries of the ancient ferns and trees and their uses by the aborigines. You may see butterflies, including the famous Ulysses and Cairns Birdwing, birds like the Azure Kingfisher and the Rainbow Bee-Eater plus a host of other animals and reptiles. You will also enjoy a tropical bush barbecue lunch before travelling to Kuranda where we have free time to explore this tranquil village. From here we travel down from Kuranda by catching the scenic Skyrail Gondola for the journey back to the coast, literally passing through and over the heights of the rainforest, and then transfer to our hotel for a well earned rest. Saturday 4 Nov 2017 Fjordland National Park B,L,D

As we sail into the narrow fjords of the Milford Sound, your massive ship seems to shrink in comparison to the towering cliffs. Situated within Fiordland National Park, this natural wonder is part of the Te Wahipounamu World Heritage Site and is protected by its geography, which makes it a haven for all types of wildlife.

Were it not for the absence of the Scottish brogue, you might think you'd landed in Edinburgh. Both the scenery and the architecture borrow heavily from Scotland. You can even shop for kilts or dig into a piece of fresh haggis. Dunedin is also home to New Zealand's only castle, a 15-year endeavor with the only staircase of its kind in the Southern Hemisphere and magnificent woodwork.
